

ALSIUM - FERRETTI 68'

'Alsium' is a beautiful Ferretti 68' built in 2002 and refitted in 2019! Her contemporary interiors are well appointed and comfortable. She presents a nice layout of four cabins - one Master cabin, one VIP, one twin cabin with two single beds and one twin with upper & lower beds - accommodating up to 8 guests. The two twin cabins are sharing en-suite facilities. Guests can enjoy formal dining in the interior dining area or al fresco meals either at the aft deck or at the fly deck. Her experienced crew of three will take impeccable care of the guests, ensuring an amazing charter experience to the Greek islands!
