

AURORA

A unique charter experience

Aurora was launched on June 2011 by Tecnomar. This yacht has extraordinary interior space for its category and remarkable quality of details and finishes. The external lines of Aurora are captivating and innovating. The lowered bulwark and the extra-large windows allow maximum natural light in the main deck and all guests' cabins.

AURORA

Sun Deck

The sun deck features generous sun awnings, full length sofas, sun pads and a shaded lunch and wet bar area with BBQ. The dining table for 10 drops down to convert to a wide sunbathing area.

AURORA

Main Deck

Aurora offers ample deck space with a large aft deck and alfresco dining option, which leads down to an extended swim platform, perfect for water activities. The foredeck boasts the gem of exterior living with a jacuzzi tub and surrounding sun pads.

AURORA

Salon

Aurora boasts a stylish and modern interior, the salon and formal dining are an open plan with the dining table forward atop dark wood floors and comfortable art deco lounge chairs opposite. Aft the salon offers 2 large neutral toned settees either side with a light carpeting beneath, accented by soft under lighting. The dining and salon are open and inviting with full length panoramic windows running fore to aft of the space.

AURORA

Master Suite

The full-beamed master suite can be accessed through the main staircase to the lower deck. The king-size bed is surrounded by soft blue under lighting, decorated with soft red cushions. On the port side a comfortable settee is located, next to the walk-in closet. On the starboard side there is a small desk next to the bathroom. The walls are decorated with shades of off-white velvet wallpaper.

AURORA

Cabins

In addition to the master accommodation on the lower deck, there are four further luxury staterooms with en-suite facilities: 2 VIP cabins with queen-size beds and 2 twin cabins with additional pullman beds. An ingenious conversion arrangement allows the 2 twin cabins to be transformed into double.
