

Camellia

The Quintessence of Classic Design

Camellia 

Built in 1962 by Austin & Pickersgill to a design by Frederick R. Parker, CAMELLIA has been beautifully maintained while retaining her classic charm. Throughout her spacious interior and exterior living spaces, glossy woods, high quality fabrics and furnishings create a warm, inviting and timeless atmosphere. She offers a variety of relaxation and dining areas, ranging from her elegant formal dining room with huge cherry wood dining table to her casual covered al fresco dining spaces. CAMELLIA's impressive leisure and entertainment facilities make her the ideal charter yacht for socializing and entertaining with family and friends.

What is more, she features an ultra-modern stabilization system to reduce roll motion effect and with a cruising speed of 10.5 knots she ensures the ultimate comfort throughout your charter vacation, making her the perfect combination of performance and luxury.
